Subject: RLC - Black TEXTURED Floor Protector

Good Morning Bill,

As per my brief email on Friday, RLC would like to receive a D206-781-011L02 (Black TEXTURED) Pilot/Co-Pilot floor protectors to go with the sample pax (Black TEXTURED) we sent earlier this month.

Ideally, we could have something to John in the next week or two? Please confirm that we can go ahead with the manufacturing and supplying of this NO Charge for RLC.

Also for your consideration, Air Evac purchases all their Floor Protectors from AAI – I would be interested in seeing if Air Evac would like to also evaluate a set of the TEXTURED floor protectors. What are your thoughts?

Peggy

I did show it to one of our guys and the first thing he asked was "what about the pilot/copilot?" So that's why I asked for them.
